**AN ORDINANCE AMENDING SUPPLEMENTING AND RECODIFYING SECTIONS
OF CHAPTER 258 OF THE CODE OF THE TOWNSHIP OF NORTH BRUNSWICK
ENTITLED "RECYCLING"**

BE IT ORDAINED by the Township Council of the Township of North Brunswick, County of Middlesex and State of New Jersey that sections of Chapter 258 of the Code of the Township of North Brunswick, entitled "Recycling" are hereby amended, supplemented, restated and codified as follows:

§ 258-1. Definitions.

The title of this chapter shall read as follows: "An Ordinance Establishing a Program for the Separation of Used Newspapers, Papers, Clean Corrugated Cardboard, Glass, Aluminum Cans, Steel Cans, Plastic Containers, Mixed Paper, Textiles, Brush, Used Motor Oil, White Goods and Light Iron, Heavy Iron, Nonferrous Scrap and Other Aluminum Scrap from Solid Waste and Rechargeable Batteries for Recycling Purposes and Promulgating Rules and Regulations Therefor and Prescribing Penalties for the Violation Thereof."

§ 258-3. Program established; compliance required; recycling requirements.

There is hereby established a program for the mandatory separation and collection of certain waste materials, as specified herein, in the Township of North Brunswick for recycling purposes. For this purpose, effective August 1, 1987, it shall be mandatory for all residents, owners, lessees or occupants of residential and nonresidential structures located within the Township of North Brunswick to separate used newspaper, used paper, clean corrugated cardboard, glass, aluminum, leaves, steel cans, plastic containers, mixed paper, textiles, brush, used motor oil, white goods and light iron, heavy iron, nonferrous and other scrap aluminum and electronics.

A. Residential separation. It shall be mandatory for all residential premises within the Township of North Brunswick to separate from all other solid waste used newspaper, glass, aluminum cans, steel cans, plastic containers, mixed paper (as defined hereinabove), brush, clean corrugated cardboard, used motor oil, white goods and light iron, heavy iron, nonferrous and other scrap aluminum, leaves and consumer electronics for recycling purposes. All residential premises receiving curbside collection services from the Township of North Brunswick shall conform to the following separation procedures for disposition of materials separated for recycling purposes.

- (1) Newspaper shall be clean, unsoiled, bundled and securely tied with a string, in stacks no higher than 12 inches. Anything that comes with the newspaper is recyclable with the newspaper. Bundles may not exceed 30 pounds.
- (2) Glass, aluminum cans, steel cans and plastic containers shall be thoroughly rinsed and contained in a reusable bucket or container. Buckets or containers may not exceed thirty (30) pounds.
